**Subject:** [External] Do not permit the Atlantic coast pipeline!

**CAUTION:** External email. Do not click links or open attachments unless verified. Send all suspicious email as an attachment to [report.spam@nc.gov](mailto:report.spam@nc.gov).

Dear Governor Cooper,  
Please deny any and all permits for the Atlantic coast pipeline. We need clean energy sources and we need them now. No more new fossil fuel infrastructure should be allowed in our state. We have the NC clean path 2025 plan from NC Warn that shows how we can move to renewable sources quickly in our state with rooftop solar, battery storage and energy efficiencies. That is the path we should be going.

Thank you.  
Ann Kiefert
